# Application

## for the admission to the Master's Thesis in Chemistry

*The German version of this document is the only legally binding version. This English translation is for your convenience only.*

Herewith I,

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

apply for the admission to the Master's Thesis according to §17 Abs. 3 and 4 of the Examination and Study Regulations of the University Konstanz for the Master's Programme Chemistry dt. 28 August 2008 with the latest amendment dt. 28 November 2019.

I suggest following topic and reviewer/supervisor for the Master's Thesis:

Topic: \_\_\_\_\_

Internal reviewer: \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

*In case of an external master's thesis an application has to be submitted in good time to the Examination Board Chemistry. This application must outline the topic of the master's thesis and specify the motivation for this external master's thesis. The external master's thesis must be a collaborative project and it must be coordinated with an internal supervisor. The internal supervisor is the first reviewer of the thesis. The internal supervisor must be updated within a period of 3, max. 4 months after the start of the project on the status of the project during a seminar talk. The external supervisor agrees that the research results of the project will be part of the written master's thesis and that the reviewer of the master's thesis will have access to these results. The external supervisor is aware of the departmental colloquium where the results will be presented and discussed. With the signature the external supervisor agrees to the above-mentioned regulations.*

External supervisor: \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

I am aware of the Examination and Study Regulations of the University Konstanz for the Master's Programme Chemistry dated 28 August 2008 with the latest amendment dated 28 November 2019.

Konstanz, den \_\_\_\_\_

# Master's Thesis

## Application

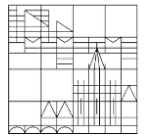

- Print form "Application for the admission to the oral master's examination" on your own (<https://www.chemie.uni-konstanz.de/beratung-und-service/downloads/>) or pick it up at the departmental office. Complete the form, add an updated ZEuS print and submit to the departmental office.
- The administration checks if all requirements are fulfilled.
- Agree appointments for the oral exam and inform the departmental office.
- **After** the oral exam:  
Complete the form "Application for admission to the Master's Thesis", have it signed by the official supervisor and submit to the departmental office.

## Deadline extension

- To extend the deadline please apply for it in written form and submit it to the examination board. The application must mention the original deadline, the new deadline and the reason for the extension. Sign this application.
- Have the application signed by your supervisor
- Submit the application for the deadline extension to the departmental office.

## Submission

- Following documents must be submitted:
  - three bound copies (no ring binding) of your master's thesis
  - declaration of independent work in German as **an extra sheet**
  - in addition the declaration (in German) **must** be bound in the master's thesis
  - certificate of enrollment of the running and last semester
  - in case the title of the thesis was changed, please submit the corresponding form and have it signed by your supervisor.
- Submission of your master's thesis including all documents at the departmental office (L801).

## Erklärung

Ich \_\_\_\_\_

[Name, Matrikelnummer]

versichere hiermit, dass ich die anliegende Bachelor- / Masterarbeit mit dem Thema

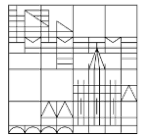

---

---

---

selbständig verfasst und keine anderen Hilfsmittel und Quellen als die angegebenen benutzt habe.

- Meine Arbeit enthält keine wörtlichen oder sinngemäßen Übernahmen von Textpassagen oder sonstige Inhalte, die von einem KI-Tool generiert wurden.
- Ich habe textgenerierende KI-Tools als **Hilfsmittel** verwendet. Mir ist bewusst, dass ich allein für die inhaltliche Richtigkeit der KI-generierten Textpassagen und sonstigen KI-generierten Inhalte sowie für die Kennzeichnung von Formulierungen und Ideen anderer Personen gemäß den Grundsätzen der guten wissenschaftlichen Praxis verantwortlich bin. Ich habe KI-Tools wie unten beschrieben eingesetzt.

Alle Stellen, die anderen - von natürlichen Personen verfassten - Werken (auch aus dem Internet oder anderen elektronischen Text- und Datensammlungen entnommen) dem Wortlaut oder dem Sinn nach entnommen sind, habe ich durch Angabe der Quelle bzw. der Sekundärliteratur entsprechend der Zitierrichtlinien im Fach als Entlehnung kenntlich gemacht.

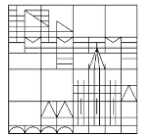

Ich habe zur Kenntnis genommen, dass die Prüfungsleistung bei Täuschung über die Eigenständigkeit oder durch Benutzung nicht zugelassener oder ggf. zugelassener aber nicht ausreichend angegebener Hilfsmittel als „nicht bestanden (5,0)“ bewertet wird und dass in besonders schwerwiegenden Täuschungsfällen der zuständige Prüfungsausschuss mich von der Wiederholungsprüfung ausschließen kann mit der Folge des endgültigen Verlustes des Prüfungsanspruchs.

## Declaration

I \_\_\_\_\_

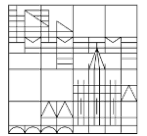

[name, student ID number]

hereby confirm that I am the sole author of this bachelor's / master's thesis with the topic

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

and that I have not used any aids or sources other than those stated.

- My work does not copy or paraphrase any text passages or other content generated by an AI tool.
- If I have used text-generating AI tools as **aids**, I understand that I am solely responsible for the accuracy of the content of the AI-generated text passages and other AI-generated content, as well as for referencing other people's wording and ideas in accordance with the principles of good scientific practice. I have used AI tools as described below.

I have identified all passages that have been quoted or paraphrased from other works written by natural persons (also taken from the Internet or other electronic collections of texts and data) by referencing the source or secondary literature in line with the citation guidelines for my subject.

I realize that the exam or coursework will be evaluated as "fail" (5.0) in case I inaccurately claim to be the sole author, in case I have used unauthorized aids, or in case I have not sufficiently referenced the use of permitted aids. In case of serious fraud or plagiarism, I am aware that the corresponding Examination Board may decide to exclude me from the exam retake, resulting in a complete loss of right to take exams.
